Read together 2 Corinthians 2:1-5

There is power in the simple message of the gospel of Jesus to save and transform lives. Through the example of the Apostle Paul, we can learn how to walk the line of being culturally relevant without compromising truth or engaging in “slick marketing.”

What is the Process? Part Four

1. What was the most significant take-away from this sermon?
2. Pastor Ken shared how the church was heavily influenced by the culture during the age of enlightenment in both positive and negative ways. How has the church of today been influenced by our culture?
3. Why did Paul choose not to share the gospel with wise and persuasive words?
4. What is the difference between choosing to do ministry in a culturally relevant way and engaging in “slick marketing?”
5. If you could change one thing in our church that would make us more effective at making disciples, what would it be?

Sharing/Caring Questions

1. What has God been showing you this past week through His word, through life situations at home, work, church, or through other means?
2. Are there any things in your life or family we can celebrate together - spiritual or otherwise?
3. Are there any struggles or hardships in your life or family that we can pray for - spiritual or otherwise?
4. Are there any other prayer requests or specific areas the group can pray for?
