FOR LIFE

DISCUSSION QUESTIONS

1. Did you discover anything new from a familiar passage? What other insight was stirred in you as you processed the metaphor's of Salt & Light?
2. What opportunities are you anticipating to be 'seasoned salt' (not too much & not too little) in the coming week? What makes this difficult for us?
3. Recall a real life story, when you were either blinded by a light or the light was too dimly lit to see? What can we learn spiritually by this extended metaphor?

"In the same way let your light so shine before others that they may see your good works and glorify your Father in heaven." (Mathew 5:16)
