ADULTS - Fellowship Hall

Explore the Bible: Exodus; Leviticus

Facilitators - David Blake & Bill Dent

This quarter will be a study on Exodus and Leviticus. These biblical books are about life. That is why they go together. Exodus describes the new life the Israelites received when the Lord rescued them from Egypt. Leviticus explains how God further taught them to live holy lives for His glory. Together they make a powerful study. As you work through this study, may you leave behind the old life of sin and bondage and begin a new life for God's glory through Jesus Christ!

ADULTS - Chapel Room #2

Culture Shock

Facilitators - Dave & Mary Ahrendt

If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. More than ever before, believers must develop convictions based on research, reason and Biblical truth. But it doesn't stop there. It's equally important to communicate these convictions with a love and respect that reflects God's own heart. This study will help you learn how to respond with love, even in the face of controversy.

PRAYER WARRIORS - Lower Room

Come join us if you believe God hears and answers prayer, and you feel it is worthwhile to spend time with others praising God, thanking Him, confessing sin, asking for His blessing, and praying for His changing work in our own and others' lives. We encourage your prayer requests. "Be alert and always keep on praying for all the saints." Ephesians 6:18

WOMEN'S CLASS - Fireside Room

Embrace

We live in a fallen world, and we all know someone who is experiencing its effects. An important part of apologetics (defending the faith) is helping people understand the impact of sin in the world, and when necessary, lovingly confronting them and helping them change. In the *Embrace* series, you will hear from six women as they share practical, biblical ways to embrace and encourage those who are hurting.

MEN'S CLASS - Man Cave
