On December 29th, during our One Service at 9 AM, we are planning to have a Baptismal Service. Jesus instructed, "believe and be baptized" and that's what those who chose to follow Him did. Baptism is an obedient outward sign of an inward conversion experience – and it's a celebration into a new life! If you are interested in being baptized, please contact the office or you may also fill out a "Form" on our Website under the "events" tab.

An attitude of gratitude is a conscious habit of expressing appreciation for all aspects of life, both good and bad. It involves focusing on the positive and expanding what's good in your life, rather than dwelling on the negative.

Here are some benefits of having an attitude of gratitude:

Increased happiness - Studies show that gratitude can increase happiness levels and decrease depression.

Reduced stress - An attitude of gratitude can reduce stress, frustration and being overwhelmed.

Increased appreciation - Gratitude can increase your capacity for appreciation and help you calm your body, heart, and mind.

Increased awareness - An attitude of gratitude can make you more aware of how even seemingly small things can impact your life.

Here are some ways to develop an attitude of gratitude:

Count your blessings - Make a list of all the ways you are blessed, starting with big things and working towards smaller things.

Use the alphabet - If you are struggling to think of things you are thankful for, use the alphabet as a guide.

Be grateful for the small things - Make a point to be grateful for the things you may otherwise not even notice.

Gratitude is a central part of Christian life, and the Bible encourages people to express gratitude in all circumstances. It's a way to recognize God's love and mercy, and to see God's hand in everything.

In the Bible - The word "gratitude" appears 157 times in the Bible, and it means to respond to God's goodness and grace with kindness and favor.

In Hebrew - The Hebrew word for gratitude is Hakarat HaTov, which literally means "recognizing the good".

In general - Gratitude is an attitude of appreciation for the benefits we receive, and it's the opposite of selfishness. Being grateful can lead people to do kind things for others in return.

Some say that gratitude is a simple, no-cost tool that can affect people on many levels. It can be practiced without special training or theological studies, and it can help people open themselves up to more goodness, love, and abundance.

Here's the four A's of gratitude: **appreciation, approval, admiration and attention.** By incorporating these four elements into your life, you'll boost your own self-esteem -- and that of others.

See page 11 for a gratitude activity

Calling all Moms!

Meeting on the first and third Tuesdays of each month
 at Faithbridge at 9:00 AM
 All Moms are welcome!

November 5th - video called "Passionate for People"
 November 19th - TBA

This year's theme is "Wild Hope."

**Want to be a blessing to the moms that attend? We need volunteers to help with our little ones during the time when the mothers meet.

Bud and Sally Kading have been a part of Faithbridge Church for 38 years. He is a "man behind the scenes!" Without him we would have had less sound, lights, projection, recording and much more throughout the years.

Bud grew up in Hackensack, MN. They met at Calvary Evangelical Church in Walker and have been married for 40 years. They have five children; Maggie, Tom, John, Mary and Ben and are blessed to have nine grandchildren. Bud retired from being the Technology Coordinator at the Nevis Schools and is now filling his time by being a substitute bus driver and serving on the IT team here at Faithbridge.

Bud came to Christ "through talking with many different friends, asking lots of questions" until one day he read Romans 4:4-5 *"Now to the one who works, his wages are not counted as a gift but as his due. And to the one who does not work but believes in him who justifies the ungodly, his faith is counted as righteousness..."* and Romans 3:21-4:5.

Bud is thankful for His family, his church and mostly for the privilege of being a part of God's family.

Helpers Needed

Helpers Needed!

We need more volunteers for nursery.
 They can be teens if they are mature enough to work with kids and be the helper.
 Please consider serving for one hour out of the month's 16 hours so that young families can be together in church.
 (First Service, Faith Classes, Second Service)

Please text Kiana at 812-345-9517 to help or call the office.

A SEASON TO BE THANKFUL

Gratitude is acknowledging and appreciating your blessings, even during difficult and trying times. Your health depends on it. Having grateful thoughts on a daily basis can positively influence your physical health and your spiritual well being by lifting your mood and giving you more energy to fully live your day. Make gratitude a habit by moving your mind from thinking about gratitude occasionally to making it second nature.

When we lose sight of the things we have to be thankful for, stress sets in and can easily take over in many ways. Our immune system can become suppressed making us prone to bacterial and viral infections—colds and flu, etc. Negative thinking patterns can affect blood pressure and heart rate. If we don't pay attention early on in the process, we could be headed down the road to depression if we're not careful.

Plant and cultivate a tree of gratitude in the garden of your life and watch it grow fruits of joy for you and everyone around you for generations to come. As Philippians 4:6,7 says, "Be anxious for nothing, but in everything by prayer and supplication, **with thanksgiving**, let your requests be made known to God; and the peace of God which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

Have a wonderful and healthy Thanksgiving holiday!

We were blessed to have Karen Hogle and her parents at church on October 27th!

Karen gave missionary moments at both worship services, sharing about her service as short-term team host and assisting mid-term missionaries in Uganda.

She also met with the 7th-12th graders sharing how she came to be a missionary in Uganda (by taking little steps of obedience and trust) and then shared prayer requests with the prayer group.

Pray for God's direction in the finalization of 2025 budget decisions.

Romans 1:16 "For I am not ashamed of the gospel, for it is the power of God for the salvation of everyone who believes, first for the Jew, then for the Gentile." (non-Jews, foreigners, aliens).

God has given us more opportunities to be the hands and feet of Jesus. Let's answer the call.

Be sure to read the latest news from our missionaries - letters are located in the East and West foyer kiosks.

*Don't forget to look in your Church
Directory for the November
Birthdays and Anniversaries*

November Suggestion:

Is there a person(s) in your life that you would like to say "thank you" to or that you "appreciate" them?

May we suggest that you take the time to write a note about why you appreciate them and encourage them by putting it in their mailbox during the month of November. It is another way to bless and be blessed. It doesn't have to be fancy, but written from the heart matters.

**Library is open on Sunday mornings:
9:15-10:45 and 11:50 - 12:15**

Access to the library is also available during the week when the church office is open. Someone from the office will let you into the library and check out instructions are available.

This month we began opening the library on some Monday mornings for use by homeschool students and parents. As a few moms have been learning what's available in the library and how to use the library computer program, I have enjoyed their enthusiasm and joy of being in the library. One mom mentioned her appreciation of not having to be concerned about objectional content in these books in contrast to using the public library.

We are still looking for a library coordinator to join me in managing the library. The library is still my "happy place." I enjoy working here and would like to train someone who loves books and libraries to work with me and possibly eventually be the lead librarian. Maybe you've been reading the notes about library coordinator, thinking it sounded kind of interesting but just weren't sure. Please come and talk to me or give me a call (Joyce at 218-252-1659) or talk to Kelly Maninga. It's not an overwhelming job; it is varied. I enjoy choosing and purchasing books that look interesting to me or that I think regular patrons would like. Our library computer system is fairly easy to learn. Or you could be instrumental in an upgrade to a new system! If you love books and reading, are computer literate and detail orientated and would like to encourage others to read, you meet the qualifications to share in a very satisfying ministry!

NEW BOOKS:

The Secret of the Hidden Scrolls is an action-packed adventure series of nine books written by M.J. Thomas for ages 6-9, reading level grades 1-3, to help them experience the wonder of the Bible. Encourage your kids to join siblings Peter and Mary and their dog, Hank, as they discover ancient scrolls that transport them back to exciting moments in the Bible. There they find a world filled with wonder, adventure, and danger. Guided on their quests by the angel Michael, they must search for clues to solve the secret of the scrolls . . . or be stuck in time forever.

A Treasury of Adoption Miracles by Karen Kingsbury is a collection of twelve true stories illustrating the presence of God in adoption. "Grab a box of tissues, sink into your favorite chair, and enter into the miraculous. When you finish this treasury you'll dust off any doubts that God is on our side," writes Patsy Clairmont.

Wrapped in Rain by Charles Martin - Photographer Tucker Mason has traveled the world, capturing things other people don't see. But he's blind to one thing---and that's how to forgive his father. Returning to the Southern estate where he and his brother were raised by their late housekeeper, Miss Ella, will he find solace in remembering her grace-filled wisdom?

The Last Exchange by Charles Martin - When ex-Special Forces agent Pockets is hired as a bodyguard for movie star Joe Sue, he quickly learns the actress with the perfect Hollywood life is also a woman struggling with a traumatic past. Very few people would notice when the bottom falls out for her, but he does. Just how far will he go for love?

The Genius of Israel DVD - On October 7, 2023, Israel suffered the worst terror attack in its history. But despite the constant threat of war and terror on multiple fronts, the Jewish state consistently ranks in the top ten happiest nations on earth. Israel also has one of the world's highest life expectancies, as well as some of the lowest rates of loneliness, depression, suicide, and drug use. So what are the Israelis doing right? CBN Films. Approx. 75 min.
